---------------------------------	---

Section 705.184 (2), Florida Statutes, provides that the airport director or the director's designee shall contact the Department of Highway Safety and Motor Vehicles to notify that department that the airport has possession of the abandoned or derelict motor vehicle and to determine the name and address of the owner of the motor vehicle, the insurance company insuring the motor vehicle, notwithstanding the provisions of s. 627.736, and any person who has filed a lien on the motor vehicle. Within 7 business days after receipt of the information, the director or the director's designee shall send notice by certified mail, return receipt requested, to the owner of the motor vehicle, the insurance company insuring the motor vehicle, notwithstanding the provisions of s. 627.736, and all persons of record claiming a lien against the motor vehicle. The notice shall state the fact of possession of the motor vehicle, that charges for reasonable towing, storage, and parking fees, if any, have accrued and the amount thereof, that a lien as provided in subsection (6) will be claimed, that the lien is subject to enforcement pursuant to law, that the owner or lienholder, if any, has the right to a hearing as set forth in subsection (4), and that any motor vehicle which, at the end of 30 calendar days after receipt of the notice, has not been removed from the airport upon payment in full of all accrued charges for reasonable towing, storage, and parking fees, if any, may be disposed of as provided in s. 705.182(2)(a), (b), (d), or (e), including, but not limited to, the motor vehicle being sold free of all prior liens after 35 calendar days after the time the motor vehicle is stored if any prior liens on the motor vehicle are more than 5 years of age or after 50 calendar days after the time the motor vehicle is stored if any prior liens on the motor vehicle are 5 years of age or less.

Section 705.182(2)(a), (b), (d), or (e), Florida Statutes, provides for additional provisions for disposing of the motor vehicle if, within 30 calendar days after such property is found or for a longer period of time as may be deemed appropriate by the director or the director's designee under the circumstances, the property is not claimed by the owner. The director or the director's designee may also choose from the following options:

- Retain any or all of the property for use by the airport or for use by the state or the unit of local government owning or operating the airport;
- Trade such property to another unit of local government or a state agency;
- Sell the property; or
- Dispose of the property through an appropriate refuse removal company or a company that provides salvage services for the type of personal property found or located on the airport premises.

Section 705.184 (3), Florida Statutes, provides that if attempts to notify the owner or lienholder pursuant to subsection (2) are not successful, the requirement of notice by mail shall be considered met and the director or the director's designee, in accordance with subsection (5), may cause the motor vehicle to be disposed of as provided in s. 705.182(2)(a), (b), (d), or (e), including, but not limited to, the motor vehicle being sold free of all prior liens after 35 calendar days after the time the motor vehicle is stored if any prior liens on the motor vehicle are more than 5 years of age or after 50 calendar days after the time the motor vehicle is stored if any prior liens on the motor vehicle are 5 years of age or less.

PROCEDURE # TL-66	SUBJECT: TRANSFER OF CERTIFICATE OF TITLE UPON SALE OF DERELICT OR ABANDONED MOTOR VEHICLE BY A PUBLIC USE AIRPORT
---------------------------------	---

Section 705.184 (4)(a), Florida Statutes, provides that the owner of, or any person with a lien on, a motor vehicle removed pursuant to subsection (1), may, within 10 calendar days after the time he or she has knowledge of the location of the motor vehicle, file a complaint in the county court of the county in which the motor vehicle is stored to determine if his or her property was wrongfully taken or withheld.

Section 705.184 (4)(b), Florida Statutes, provides that upon filing a complaint, an owner or lienholder may have his or her motor vehicle released upon posting with the court a cash or surety bond or other adequate security equal to the amount of the fees for towing, storage, and accrued parking, if any, to ensure the payment of such fees in the event he or she does not prevail. Upon the posting of the bond or other adequate security and the payment of any applicable fee, the clerk of the court shall issue a certificate notifying the airport of the posting of the bond or other adequate security and directing the airport to release the motor vehicle. At the time of such release, after reasonable inspection, the owner or lienholder shall give a receipt to the airport reciting any claims he or she has for loss or damage to the motor vehicle or the contents of the motor vehicle.

Section 705.184 (5), Florida Statutes, provides that if, after 30 calendar days after receipt of the notice, the owner or any person claiming a lien has not removed the motor vehicle from its storage location upon payment in full of all accrued charges for reasonable towing, storage, and parking fees, if any, or shown reasonable cause for the failure to do so, the airport director or the director's designee may dispose of the motor vehicle as provided in s. 705.182(2)(a), (b), (d), or (e). If the airport elects to sell the motor vehicle, the motor vehicle may be sold free of all prior liens after 35 calendar days after the time the motor vehicle is stored if any prior liens on the motor vehicle are more than 5 years of age or after 50 calendar days after the time the motor vehicle is stored if any prior liens on the motor vehicle are 5 years of age or less. The sale shall be a public auction either on the Internet or at a specified physical location. If the date of the sale was not included in the notice required in subsection (2), notice of the sale, sent by certified mail, return receipt requested, shall be given to the owner of the motor vehicle and to all persons claiming a lien on the motor vehicle. Such notice shall be mailed not less than 10 calendar days before the date of the sale. In addition to the notice by mail, public notice of the time and place of the sale at auction shall be made by publishing a notice of the sale at auction one time, at least 10 calendar days prior to the date of sale, in a newspaper of general circulation in the county in which the sale is to be held. All costs incurred by the airport for the towing, storage, and sale of the motor vehicle, as well as all accrued parking fees, if any, shall be recovered by the airport from the proceeds of the sale, and any proceeds of the sale in excess of such costs shall be retained by the airport for use by the airport in any manner authorized by law.

Section 705.184 (7), Florida Statutes, provides that for the purpose of perfecting its lien, the airport shall record a claim of lien. The claim of lien shall be recorded with the clerk of court in the county where the airport is located.

Section 705.184 (8), Florida Statutes, provides that a purchaser or recipient in good faith of a motor vehicle sold or obtained under this section takes the property free of the rights of persons then holding any legal or equitable interest thereto, whether or not recorded.
